## Chairman's Review

I am pleased to present a review on the overall performance of the Company for the year ended June 30, 2018.

The overall business environment during period under review remained quite challenging and disturbing. Factors like current account deficit, unprecedented devaluation of Pak Rupee and Political instability were the major contributors towards the economic difficulties of the country.

The prices of raw material kept on increasing throughout the year along with exchange loss due to phenomenal devaluation of Pak Rupees and the resultant increase couldn't be fully compensated and profitability of the Company was affected adversely. The Company managed to achieve profit after tax of Rs. 5.283 million as compared to Rs. 16.84 million achieved last year. Overall sales have increased by 22.17 percent as compared to last year.

The Board has formulated an effective annual evaluation mechanism. On the basis of the feedback the overall performance of the Board has been satisfactory and effective. Guidance provided by the Board to the Management has played pivotal role in achieving Company's objectives.

The Board met four (04) times during the year. The Board meets at least once in every quarter to consider operational results and the budget of the following year. The Board Committees greatly facilitated the overall working of the Board.

In the 58th AGM of the Company, the following directors including myself were re-elected for a period of three years: Mr. Abu Talib H.K. Dada, Mr. Maqbool H.H. Rahimtoola, Mr. Qazi Sajid Ali, Mr. Shahzad M. Husain, Mr. Danish Dada and Mr. Syed Shahid Ali Bukhari. I am confident that under their guidance the Company will continue to achieve its goals.

On behalf of the Board, I would like to acknowledge relentless efforts made by all our employees to achieve a profitable year and express my gratitude to all our valued shareholders, customers, suppliers, bankers and all other stakeholders for their continued support for the Company.

### **PATTERN OF SHAREHOLDING**

The detailed pattern and categories of its shareholding including shares held by directors and executives, if any, are annexed to the Annual Report.

### **POST BALANCE SHEET EVENT AND SIGNIFICANT DEVELOPMENTS**

There have been no material changes and commitments affecting the financial position since June 30, 2018 to the date of this report, which has an impact on the financial statements, except for the declaration of final dividend which is subject to the approval of the Members of the Company at the forthcoming Annual General Meeting, the effect of which will be reflected in the FY 2019 financial statements.

### **FUTURE PROSPECTS AND CHALLENGES**

The Country's economic growth is expected to continue, which will also be beneficial for the construction industry growth. Following the third successful democratic transition, despite several macroeconomic challenges including a broadening current account deficit, political stability is expected to support a thriving business environment in the country, which will subsequently support on-going construction activity domestically. Domestic demand is therefore likely to project stable growth driven by infrastructure development, including projects like CPEC coupled with a growing economy.

As the country continues to suffer from current account deficit, gradual weakening of the Rupee along with upward pressure on input costs are expected to further affect margins. Increasing energy prices are even more detrimental for the industry as imported raw material and power constitute a substantial part of cost of production.

However, expected demand for building materials is encouraging on the basis of which the company looks upon production capacity expansions which will help to cater expected sales demand. The management will continue to explore new sources of raw material and strict control on working capital. The management team will continue to focus on broadening customer base and explore new markets to achieve positive results.

### **ACKNOWLEDGEMENTS**

The Directors are grateful to all our customers for their support and seek their continued patronage. Achieving customers' trust is the key to our success so far and we are determined to provide the quality of service that will continue to retain this trust.

The Company would like to take this opportunity to thank all its shareholders and other stakeholders including suppliers, service providers, banks / financial institutions and insurers for reposing their trust in the Company.

As a part of our audit of the financial statements we are required to obtain an understanding of the accounting and internal control systems sufficient to plan the audit and develop an effective audit approach. BDO Ebrahim & Co. a Pakistan registered partnership firm, is a member of BDO International Limited, a UK company limited by guarantee, and forms part of the international BDO network of independent member firms.

Following are the Key audit matters:

S. No	Key audit matters	How the matter was addressed in our audit
1.	<b>Promulgation of Companies Act, 2017</b>	
	<p>Companies Act, 2017 ("the Act") was promulgated on May 30, 2017 which introduced certain new requirements including certain changes in accounting and disclosures with respect to preparation of financial statements by companies. The third and fourth schedules to the Companies Act, 2017 became applicable to Company for the first time for the preparation of these financial statements. The Companies Act, 2017 (including its third and fourth schedules) forms an integral part of the statutory financial reporting framework applicable to the Company.</p> <p>In view of the significant changes in accounting and disclosures, we consider it as a key audit matter.</p> <p>Refer to note 3.1 and 7 to the financial statements.</p>	<p>We performed the following procedures:</p> <ul style="list-style-type: none"> <li>• We obtained an understanding of the requirements regarding preparation and filing of financial statements applicable to the Company and assessed the design and operation of its key controls over preparation and filing of financial statements.</li> <li>• We reviewed minutes of meetings of Board of Directors, Audit Committee and internal audit reports for any recorded instances of potential non-compliance and maintained a high level of vigilance when carrying out other audit procedures for indication of non-compliance.</li> <li>• We reviewed the financial statements to ensure that change in accounting policy with respect to surplus on revaluation of property, plant and equipment has been properly applied and accounted for and adequately disclosed in the financial statements.</li> <li>• We reviewed financial statements to ensure completeness and accuracy of disclosures in the financial statements to ensure compliance with reporting and disclosure requirements of Companies Act, 2017.</li> </ul>
2.	<b>Provision for obsolescence in inventories</b>	
	<p>As disclosed in note 15 and 16 to the financial statements, the Company has net inventories of Rs. 36.511 million and Rs. 815.537 million as at June 30, 2018 for stores, spares and loose tools and stock in trade, respectively.</p>	<p>We performed the following procedures:</p> <ul style="list-style-type: none"> <li>• We evaluated the significant assumptions and methodologies applied by management to identify and provide for slow moving and obsolete inventory categories.</li> </ul>

S. No	Key audit matters	How the matter was addressed in our audit
	<p>The total inventories represented significant portion of the Company's total assets.</p> <p>The Company estimates the provision for slow moving and obsolete inventory of stock in trade on the inventory ageing and sales performance of individual stock categories and make specific provisions by individual stock categories. The Company also writes down the value of such inventories based on the net realizable value of inventories.</p> <p>Further, the provision for all slow moving and obsolete inventories of stores, spares and loose tools are based on the inventory days and specific identification of inventories through verification by management.</p> <p>We focused on this area as the estimation for provisioning involve a high level of management judgement which could in turn result in measurement uncertainty and possibility for management bias.</p>	<ul style="list-style-type: none"> <li>• We compared the ageing and provisioning percentages used by management in the current year to those applied in prior years and checked the reasonableness of provisioning basis using our understanding of industry practices.</li> <li>• Further, we reviewed the year to year movement in provision for each category of inventory considering subsequent write offs, reversals on re-use and disposals. We also compared the cost of inventories as at June 30, 2018 to their net realisable value subsequent to year end.</li> <li>• We performed a recalculation of the inventory provision made to an individual inventory category based on the system generated inventory ageing report. Further, we checked for damaged and obsolete inventory that were physically identifiable during stock count observation.</li> </ul>
3.	<b>Control environment relating to the financial reporting process and related IT systems</b>	
	<p>The IT control environment relating to the financial reporting process and the application controls of individual IT systems have an impact on the selected audit approach.</p> <p>As the financial statements are based on extensive number of data flows from multiple IT systems, consequently the financial reporting control environment is determined as a key audit matter.</p>	<p>Our audit procedures included evaluation of the financial reporting process and related control environment, as well as testing of the effectiveness of controls including general IT controls. Our audit procedures focused on testing the reconciliation and approval controls as well as on evaluating the administration of access rights.</p> <p>Our audit procedures extensively consisted of several substantive procedures as well as data analysis relating to the most significant balances on the profit and loss account and statement of financial position.</p>

S. No	Key audit matters	How the matter was addressed in our audit
4.	<b>Trade debts</b>	
	<p>As disclosed in note 17 to the accompanying financial statements of the Company for the year ended June 30, 2018, the Company has a trade debt balance amounting to Rs. 184.711 million, which represents a significant element of statement of financial position.</p> <p>A discrepancy in the valuation or existence of trade debt could cause the assets to be materially misstated, which would impact the Company's reported financial position as the valuation of aforesaid head is one of the main driver of movements in the assets of the Company.</p> <p>Management estimates the collectible amount of debt. For significant account balances, this estimation is performed on an individual basis. Amounts which are not individually significant, but which are past due, are assessed collectively and a provision applied according to the length of time that the amount is past due.</p> <p>In view of the significance of trade debts in relation to the total assets of the company, we considered impairment of trade receivables as a key audit matter due to the significant management judgment involved in determining the provision for doubtful debts and that the existence and carrying value of trade receivables could be material to the performance of the Company.</p>	<p>We performed the following procedures:</p> <ul style="list-style-type: none"> <li>• We considered the appropriateness of impairment of trade receivables as per the Company policies and assessing compliance with applicable accounting standards;</li> <li>• We tested the design and effectiveness of internal controls implemented by the Company through the trade receivables cycle.</li> <li>• We critically considered management's assumptions used in determining impairment losses for both specific and collective loss components.</li> <li>• We identified those trade receivables with credit risk exposure and checking if they are properly included in management's impairment assessment.</li> <li>• We examined on a sample basis, evidence related to post year-end cash receipts.</li> <li>• We reviewed and re-calculated the provision against trade receivables based on credit risk exposure and days past due as per the Company's policies to ensure that the provision is appropriate at the statement of financial position date.</li> </ul>

### **Information Other than the Financial Statements and Auditor's Report Thereon**

Management is responsible for the other information. The other information comprises the information included in the annual report but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

### **Responsibilities of Management and Board of Directors for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the accounting and reporting standards as applicable in Pakistan and the requirements of Companies Act, 2017(XIX of 2017) and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Board of directors are responsible for overseeing the Company's financial reporting process.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs as applicable in Pakistan will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs as applicable in Pakistan, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the board of directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide the board of directors with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with the board of directors, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

## **6 SIGNIFICANT ACCOUNTING POLICIES**

The principal accounting policies applied in the presentation of these financial statements are set out below. These policies have been consistently applied to all the years presented.

### **6.1 Property, plant and equipment**

#### **a) Operating fixed assets**

##### **Owned**

These are stated at cost less accumulated depreciation and impairment except for land. Freehold land are stated at revalued amounts less accumulated impairment and leasehold land is stated at revalued amount less accumulated depreciation and impairment.

Depreciation is charged to profit and loss account using the straight-line method over their estimated useful lives at the rates disclosed in note 8 to these financial statements, whereby the cost of an asset less residual value is written-off over its estimated useful life. A full month's depreciation is charged for assets in the month of purchase and no depreciation is charged in the month of disposal.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on de-recognition of the asset are calculated as the difference between the net disposal proceeds and the carrying amount of the item.

Gains and losses on disposal of assets are taken to profit and loss account in the year the assets are derecognised. When revalued assets are sold, the remaining surplus is transferred directly to retained earnings.

Assets residual values, useful lives and method of depreciation are reviewed, and adjusted, if appropriate at each balance sheet date. An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

Maintenance and normal repairs are charged to profit and loss account as and when incurred. Major renewals and improvements, if any, are capitalised.

##### **Leased**

Fixed assets acquired under finance lease are accounted for by recording the assets and related liabilities at the amounts determined on the basis of the lower of fair value of assets and the present value of minimum lease payments. Finance charges are allocated to accounting periods in a manner so as to provide a constant periodic rate of charge on the outstanding liability. Depreciation is charged on leased assets on a basis similar to that of owned assets.

#### **b) Capital work-in-progress**

Capital work-in-progress are stated at cost and consists of expenditure incurred, advances made and other costs directly attributable to operating fixed assets in the course of their construction and installation. Cost also includes applicable borrowing costs. Transfers are made to relevant operating fixed assets category as and when assets are available for use intended by the management.

## 6.2 Intangible assets

These are stated at cost less accumulated amortisation and impairment. Amortisation is charged to the profit and loss account using the straight-line method over their estimated useful lives.

## 6.3 Investment property

These are assets held for capital appreciation and for rental earnings and are measured under the cost model. These are stated at cost less accumulated depreciation and impairment.

Investment property is derecognised when either they have been disposed of or when the investment property is permanently withdrawn from use and no future economic benefit is expected from its disposal. The difference between the net disposals and carrying amount of the asset is recognised in the profit and loss account in the period of derecognition.

Transfers are made to or from the investment property only when there is a change in use. If owner occupied property becomes an investment property, the Company accounts for such property in accordance with the policy stated under property, plant and equipment upto the date of change in use.

Depreciation is charged to profit and loss account using the straight-line method over their estimated useful lives at the rates disclosed in note 11 to these financial statements, whereby the cost of an asset less residual value is written-off over its estimated useful life. A full month's depreciation is charged for assets in the month of purchase and no depreciation is charged in the month of disposal.

Maintenance and normal repairs are charged to profit and loss account as and when incurred. Major renewals and improvements, if any, are capitalised.

## 6.4 Impairment of non-financial assets

The carrying amount of the Company's non-financial assets are reviewed at each statement of financial position date to determine whether there is any indication of impairment. If such indications exist, the assets' recoverable amounts are estimated in order to determine the extent of impairment loss, if any.

An impairment loss is recognized if the carrying amount of an asset or its cash-generating unit exceeds its recoverable amount. A cash-generating unit is the smallest identifiable asset group that generates cash flows that is largely independent from other assets and group. Impairment losses are recognized as expense in profit and loss account. The recoverable amount is the higher of an asset's fair value less costs to sell and value in use. Where an impairment loss is recognized, the depreciation charge is adjusted in the future periods to allocate the asset's revised carrying amount over its estimated useful life.

Impaired assets are reviewed for possible reversal of the impairment at each statement of financial position date. Reversal of the impairment losses are restricted to the extent that asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation, if no impairment losses had been recognized. A reversal of impairment loss is recognized in the profit and loss account.

## 6.5 Investments

### Associate

Investment in associates is accounted for using equity method of accounting. Investments over which investor has "significant influence" are accounted for under this method i.e., investments to be carried in the balance sheet at cost plus post-acquisition changes in the share of net assets of the associate, less any impairment in value. The profit and loss account reflects the investor's (Company's) share of the results of operations of the investee (associated company) after the date of acquisition. If an associate uses accounting policies other than those of the Company, adjustments are made to conform the associate's policies to those of the Company, if the impact is considered material.

## 6.6 Stores, spares and loose tools

Stores and spares are stated at cost less provision for slow moving and obsolete items. Cost is determined by using the weighted average cost method. Items in transit are valued at cost comprising invoice value plus other charges incurred thereon.

# Notes to the Financial Statements for the year ended June 30, 2018

The Company reviews the carrying amount of stores and spares on a periodic basis and provision is made for slow moving and obsolescence on periodic basis.

## **6.7 Stock-in-trade**

Stock-in-trade, except goods-in-transit, is stated at the lower of net realizable values and cost determined as follows:

Raw and packing materials - Moving average basis

Work-in-process - Cost of direct materials plus conversion cost is valued on the basis of equivalent production units.

Finished goods - Cost of direct materials plus conversion cost is valued on time proportion basis.

Goods-in-transit are valued at purchase price, freight value and other charges incurred thereon upto the balance sheet date.

Stock-in-trade is regularly reviewed by the management and any obsolete items are brought down to their net realizable values.

## **6.8 Trade debts and other receivables**

Trade debts and other receivables are recognized and carried at original invoiced amount which is the fair value of the consideration to be received in future for goods sold less provision for doubtful amounts. Provision for doubtful debts is based on management's assessment of customer's credit worthiness. When a trade debt is uncollectible, it is written off and charged to profit and loss account. Subsequent recoveries of amounts previously written off are credited to the profit and loss account.

## **6.9 Taxation**

Income tax expense comprises current and deferred tax. Income tax expense is recognized in profit and loss account, except to the extent that it relates to items recognized in other comprehensive income or directly in equity, in which case it is also recognized in other comprehensive income or directly in equity respectively.

### **a) Current**

Current tax is the expected tax payable on the taxable income for the year determined in accordance with the prevailing law for taxation of income. The charge for current tax is calculated using tax rates enacted or substantively enacted at the reporting date after taking into account tax credits and tax rebates. The charge for current tax also includes adjustments, where considered necessary, to provision for tax made in previous years arising from assessments framed during the year for such years.

### **b) Deferred**

Deferred tax is accounted for using the statement of financial position liability method on all temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the amounts used for taxation purposes.

Deferred tax liabilities are generally recognized for all taxable temporary differences and deferred tax assets are recognized to the extent that it is probable that taxable profit will be available in future years to utilize deductible temporary differences, unused tax losses and tax credits.

The carrying amount of deferred tax asset is reviewed at each statement of financial position date and reduced to the extent that is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilized.

Deferred tax is calculated based on tax rates that have been enacted or substantively enacted up to the statement of financial position date and are expected to apply to the periods when the differences reverse.

# Notes to the Financial Statements for the year ended June 30, 2018

Deferred tax assets and liabilities are offset if there is a legally enforceable right to offset current tax liabilities and assets, and they relate to income taxes levied by the same tax authority on the same taxable entity, or on different taxable entities, but they intend to settle current tax liabilities and assets on a net basis or their tax assets and liabilities will be realised simultaneously.

- c) The Company takes into account decisions taken by the taxation authorities. For instance where the Company's view differs from the income tax department at the assessment stage, the disputed amounts are shown as contingent liabilities.

## 6.10 Cash and bank balances

Cash in hand and at banks are carried at nominal amount.

## 6.11 Surplus on revaluation of property, plant and equipment

Any revaluation increase arising on the revaluation of land is recognised in other comprehensive income and presented as a separate component of equity as "Revaluation surplus on property, plant and equipment", except to the extent that it reverses a revaluation decrease for the same asset previously recognised in profit or loss, in which case the increase is credited to profit or loss to the extent of the decrease previously charged. Any decrease in carrying amount arising on the revaluation of land is charged to profit or loss to the extent that it exceeds the balance, if any, held in the surplus on revaluation of property, plant and equipment relating to a previous revaluation of that asset.

The revaluation reserve is not available for distribution to the Company's shareholders. The surplus on revaluation to the extent of incremental depreciation charged (net of deferred tax) is transferred to unappropriated profit.

During the year the Company changed its accounting policy in respect of the accounting and presentation of surplus on revaluation of property, plant and equipment. Previously, the Company's accounting policy was in accordance with the provisions of repealed Companies Ordinance, 1984. Those provisions and resultant previous policy of the Company was not in alignment with the accounting treatment and presentation of revaluation surplus as prescribed in the IFRS. However, the Companies Act, 2017 has not specified any accounting treatment for revaluation surplus, accordingly the Company has changed the accounting policy and is now following the IFRS for prescribed accounting treatment and presentation of revaluation surplus. The detailed information and impact of this change in policy is provided in note 7 below.

Exchange gains and losses arising on transaction in respect of liabilities in foreign currency are added to the carrying amount of the respective liabilities.

## 6.13 Borrowings

Finance cost are accounted for on accrual basis and are shown as interest and markup is accrued to the extent of the amount remaining unpaid.

Short term borrowings are classified as current liabilities unless the Company has unconditional right to defer settlement of the liability for at least twelve months after the statement of financial position date.

# Notes to the Financial Statements for the year ended June 30, 2018

## 6.27 Significant accounting judgments and critical accounting estimates / assumptions

The preparation of financial statements in conformity with approved accounting standards requires the use of certain critical accounting estimates. It also requires management to consider industry practices and exercise its judgments in the process of applying the Company's accounting policies. Estimates and judgments are continually evaluated and are based on historic experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances. Revisions to accounting estimates are recognised in the period in which the estimate is revised and in any future periods affected.

In the process of applying the Company's accounting policies, management has made the following estimates and judgments which are significant to the financial statements:

### a) Property, plant and equipment

The Company reviews appropriateness of the rate of depreciation, useful life and residual value used in the calculation of depreciation. Further, where applicable, an estimate of the recoverable amount of assets is made for possible impairment on an annual basis. In making these estimates, the Company uses the technical resources available with the Company. Any change in the estimates in the future might affect the carrying amount of respective item of property, plant and equipment, with corresponding effects on the depreciation charge and impairment.

### b) Stock-in-trade

The Company reviews the net realisable values of stock in trade to assess any diminution in the respective carrying values. Net realisable value is estimated with reference to the estimated selling price in the ordinary course of business less the estimated costs of completion and estimated costs necessary to make the sale.

### c) Trade debts

The Company reviews its doubtful trade debts at each reporting date to assess whether provision should be recorded in the profit and loss account. In particular, judgment by management is required in the estimation of the amount and timing of future cash flows when determining the level of provision required. Such estimates are based on assumptions about a number of factors and actual results may differ, resulting in future changes to the provisions.

# Notes to the Financial Statements for the year ended June 30, 2018

## d) Income taxes

In making the estimate for income tax payable by the Company, the Company takes into account the applicable tax laws and the decision by appellate authorities on certain issues in the past. With regard to deferred taxation, the Company applies various assumptions on future projections and applicability of different tax regime, as well as recoverability of various deferred tax assets.

## e) Contingencies

The assessment of the contingencies inherently involves the exercise of significant judgment as the outcome of the future events cannot be predicted with certainty. The Company, based on the availability of the latest information estimates the value of contingent assets and liabilities which may differ on the occurrence /non-occurrence of the uncertain future events.

## 7 CHANGE IN ACCOUNTING POLICY OF SURPLUS ON REVALUATION OF PROPERTY, PLANT AND EQUIPMENT

On July 01, 2017 the Company changed its accounting policy for the surplus on revaluation of property, plant and equipment, in accordance with requirements of the accounting and reporting standards as applicable in Pakistan under the Companies Act, 2017. Previously, the Company's accounting policy for surplus on revaluation of property, plant and equipment was in accordance with the provisions of section 235 of the repealed Companies Ordinance, 1984. Further, the surplus on revaluation of property, plant and equipment was shown as a separate item below equity, in accordance with the presentation requirement of the repealed Companies Ordinance, 1984.

The Companies Act, 2017 has not retained the above mentioned specific accounting and presentation requirements of surplus on revaluation of property, plant and equipment. Consequently, this impacted the Company's accounting policy for surplus on revaluation of property, plant and equipment, and now the related accounting and presentation requirements set out in IAS 16 'Property, Plant and Equipment' are being followed by the Company. The new accounting policy is explained under note 6. Further, the surplus on revaluation of property, plant and equipment is now presented in the statement of financial position and statement of changes in equity as a capital reserve i.e. part of equity.

In these financial statements the above explained change in accounting policy has been accounted for retrospectively, with the restatement of the comparative information.

The effect of the change is recognition and presentation of Rs. 1,039.885 million for surplus on revaluation of property, plant and equipment as a capital reserve i.e. separate component of equity and derecognition of surplus on revaluation of property, plant and equipment of Rs. 1,039.885 million, previously presented below equity in the statement of financial position. Further, there is no effect on the profit and loss account and statement of comprehensive income for the year ended June 30, 2017. The effect of change in accounting policy is summarised below:

Had there been no revaluation, the book value of freehold and leasehold land would have been Rs. 269.905 (2017: Rs. 269.905) million and Rs. 164.912 (2017: Rs. 169.141) million respectively and surplus on revaluation of property, plant and equipment would have been lower by Rs. 1,039.885 (2017: Rs. 1,064.230) million respectively.

## **8.8 Fair value measurement**

**8.8.1** Fair value of property, plant and equipment are based on the valuations carried out by an independent valuer M/s Oceanic Surveyors (Private) Limited on the basis of market value.

**8.8.2** Fair value of freehold land and leasehold land are based on assumptions considered to be level 2 in the fair value hierarchy due to significant observable inputs used in the valuation.

### **Valuation techniques used to derive level 2 fair values - Freehold land and Leasehold land**

Fair values have been derived using a sales comparison approach. Sale prices of comparable lands in close proximity are adjusted for differences in key attributes such as location and size of the land. The most significant input in this valuation approach is price / rate per square foot in particular locality. This valuation is considered to be level 2 in fair value hierarchy due to significant observable inputs used in the valuation.

**8.8.3** There were no transfers between level 2 and 3 for recurring fair value measurements during the year.

## 31 CONTINGENCIES AND COMMITMENTS

### 31.1 Contingencies

- 31.1.1** During the year ended June 30, 2015 the Government of Pakistan promulgated Gas Infrastructure Development Cess (GIDC) Act, 2015 and levied GIDC on gas bills at the rate of Rs.100 / MMBTU on all industrial consumers. The GIDC Act, 2015 was made applicable with immediate effect superseding the GIDC Act, 2011 and GIDC Ordinance, 2014. However, the Company filed a suit before the Honourable High Court of Sindh (HCS), challenging the vires of GIDC Act, 2015 which passed an order restraining the Sui Southern Gas Company Limited (SSGCL) from demanding and collecting GIDC as levied by the GIDC Act, 2015. During the last year, the case was decided by the High Court of Sindh in favor of the Company. Subsequent to the judgment, on appeal filed by the SSGCL, the High Court of Sindh suspended the aforesaid judgment till the disposal of appeal. The matter is still pending in Honourable High Court of Sindh. The financial exposure of the Company up to June 30, 2018 amounts to Rs. 51.827 million, however, no provision in the financial statements has been made as the Company believes based on legal advice that the amount shall not be payable.

- 31.1.2** During the year ended June 30, 2010, the Environmental Protection Tribunal (EPT) initiated proceedings against the Company, containing allegations of pollution, under the Pakistan Environmental Protection Act, 1997 based on a complaint filed by the brother of an ex-employee of the Company. The Company submitted a plea before the EPT raising the issue of the maintainability of the complaint and its lack of jurisdiction to hear the same which was dismissed vide an order dated June 29, 2010. The Company filed a constitutional petition before the Honourable High Court of Sindh (HCS) seeking reliefs that the proceedings before EPT vis-a-vis the complaint were taken coram non judice and has maintained that the EPT has no jurisdiction of the subject matter. The said constitutional petition was dismissed by HCS vide its judgment dated March 9, 2011. The Company filed petition for leave to appeal against the judgment of HCS before the Honourable Supreme Court of Pakistan (SCP) which granted leave to appeal to the Company vide its order dated June 23, 2011 and converted the petition into an appeal. Thereafter, after the partial hearing of the civil appeal, the SCP vide its order dated October 25, 2011 directed a commission constituted by the EPT to submit the report of environmental audit of the Company's factory and surrounding premises. Pursuant to the direction of SCP, a report was filed ostensibly on behalf of a commission constituted by the EPT to which objections have been filed by the Company before SCP. The hearing of civil appeal on merits is now pending. Based on the opinion of the legal counsel of the Company, the management expects a favorable outcome of the case. Accordingly, no provision for any potential demand in respect of the above has been made in these financial statements.

# Notes to the Financial Statements for the year ended June 30, 2018

**31.1.3** The Company is defending various suits filed in various courts of Pakistan for sums aggregating to Rs. 14.117 million (June 30, 2017 : Rs. 14.90 million). However, in view of a legal advice, the Company's management is confident that these suits will be decided in its favor, and accordingly, no provision has been made in this respect.

## آڈیٹرز

موجودہ آڈیٹرز، میسرز بی ڈی اوبراہیم اینڈ کو، چارٹرڈ اکاؤنٹینٹس 59 ویں سالانہ اجلاس عام کے اختتام پر سیکڈوش ہو جائیں گے۔ اہل ہونے کے ناتے انھوں نے خود کو دوبارہ تقرر کے لیے پیش کیا ہے۔ جیسا کہ کوڈ آف کارپوریٹ گورننس کے تحت ضروری ہے، بورڈ آڈٹ کمیٹی نے 30 جون، 2019 کو ختم ہونے والے مالی سال کے لیے کمپنی کے آڈیٹرز کی حیثیت سے ان کے دوبارہ تقرر کی سفارش کی ہے اور بورڈ، آڈٹ کمیٹی کی سفارش سے اتفاق کرتا ہے لہذا اس نے کمپنی کے شیئرز ہولڈرز سے ان کے دوبارہ تقرر کی سفارش کی ہے۔

تفصیلی پیٹرن اور شیئرز ہولڈنگ کی کیٹیگریز بشمول ڈائریکٹرز اور ایگزیکٹوز کے پاس شیئرز، اگر کوئی ہیں، اس سالانہ رپورٹ کے ساتھ منسلک ہے۔

## پوسٹ بیلنس شیٹ ایونٹ اور اہم تبدیلیاں

## مستقبل کے امکانات اور چیلنجز

توقع ہے کہ ملک کی معاشی نمو جاری رہے گی جو تعمیراتی صنعت کی افزائش کے لیے بھی فائدہ مند ہوگی۔ تیسری کامیاب جمہوری حکومت کی منتقلی کے بعد، اخراجات جاریہ کے وسیع ہوتے ہوئے خسارے سمیت متعدد میکرو اکنامک چیلنجز کے باوجود امید ہے کہ سیاسی استحکام ملک میں پختے ہوئے کاروباری ماحول کی مدد کرے گا، جس کے نتیجے میں ملک کے اندر جاری تعمیراتی سرگرمیوں میں مدد ملے گی۔ چنانچہ امکان ہے کہ داخلی مانگ، سی پیک جیسے منصوبوں اور پھلتی پھولتی معیشت سمیت انفراسٹرکچر کی ترقی کی مدد سے مستحکم افزائش کو آگے بڑھائے گی۔

چونکہ ملک کو اخراجات جاریہ کے خسارے سے مسلسل مشکلات کا سامنا ہے، روپے کے بتدریج کمزور ہونے اور اس کے ساتھ ان پٹ لاگت پر پڑنے والے دباؤ کے باعث منافع پر مزید اثر پڑنے کی امید ہے۔ توانائی کی بڑھتی ہوئی قیمتیں صنعت کے لیے اور زیادہ نقصان دہ ہیں، کیونکہ درآمد شدہ خام مال اور بجلی، پیداواری لاگت کا خطیر حصہ ہوتا ہے۔

کام کا ایک محفوظ اور بہتر ماحول فراہم کرنے کی خاطر اپنے انسانی وسائل کو ترقی دینے اور ان کی بہتر دیکھ بھال کے لیے مسلسل کوششیں کرنے کا عزم کیے ہوئے ہیں۔

ہماری کامیابی کا انحصار جذبے سے سرشار اور پر عزم ملازمین پر ہے۔ ہم بہترین ٹیلنٹ کو راغب کرنے اور انھیں اپنے ساتھ رکھنے کے لیے ان کی ترقی میں سرمایہ کاری کی ضرورت کو تسلیم کرتے ہیں۔ ہم نے کاروباری پرفارمنس کے اس اہم شعبہ کو مستحکم کرنے کے مقصد کے ساتھ پچھلے برسوں کے دوران اس میں مسلسل سرمایہ کاری کی ہے۔

### بورڈ کی کارکردگی کا تجزیہ اور ڈائریکٹرز ٹینگ پروگرام

بورڈ نے اپنی کارکردگی کا نچھتے کا ایک طریقہ کار وضع کیا ہے۔ ڈائریکٹرز، بورڈ کے تمام اجلاسوں میں بھرپور طریقے سے شرکت کرتے ہیں۔ تمام معاملات پر تفصیل سے بات چیت ہوتی ہے اور اس کے مطابق انتظامیہ کو ہدایت دی جاتی ہے، جس کی بورڈ اور اس کی کمیٹیوں کی طرف سے باقاعدہ نگرانی کی جاتی ہے۔ بورڈ اس بات کو یقینی بناتا ہے کہ کمپنی، کارپوریٹ گورننس کے بہترین طور طریقے اختیار کرے۔

بورڈ ممبرز کی اکثریت اُس مقررہ تعلیمی قابلیت اور تجربے کی حامل ہے جو ٹینگ پروگراموں سے ڈائریکٹرز کے استثنائے کے لیے درکار ہوتا ہے۔ تمام ڈائریکٹرز، لسٹڈ کمپنی کے ڈائریکٹرز کی حیثیت سے اپنے فرائض اور ذمہ داریوں سے مکمل طور پر آگاہ ہیں۔

## بورڈ آف ڈائریکٹرز اور اس کی کمیٹیاں

بورڈ آف ڈائریکٹرز نے 25 اکتوبر، 2017 کو اپنی میعاد مکمل کر لی اور 25 اکتوبر، 2017 کو منعقد ہونے والے کمپنی کے شیئر ہولڈرز کے 58 ویں سالانہ اجلاس عام میں تین سالہ مدت کے لیے سات ڈائریکٹرز پر مشتمل ایک نیا بورڈ منتخب کیا، جس میں ایک غیر جانب دار ڈائریکٹر بھی شامل ہے جو غیر جانب داری کے طریقہ کار کو پورا کرتا ہے۔

سال 2017/18 کے دوران ڈائریکٹس بورڈ کے چار اجلاس ہوئے۔ ڈائریکٹس بورڈ تجربہ کار اور باصلاحیت ارکان کے ایک عمدہ مجموعے پر مشتمل ہے۔ سال کے دوران بورڈ نے کوڈ آف کارپوریٹ گورننس کے تقاضوں کو پورا کرنے کے لیے انڈیپنڈنٹ ڈائریکٹر، سید شاہد علی بخاری کو بورڈ کی آڈٹ کمیٹی اور انسانی وسائل اور مشاہرہ کمیٹی کا چیئر مین مقرر کیا۔

سال کے دوران بورڈ آڈٹ کمیٹی کا چار مرتبہ اور انسانی وسائل اور مشاہرہ کمیٹی کا ایک بار اجلاس ہوا۔ بورڈ کی کمیٹیوں نے بورڈ کی مجموعی کارکردگی میں بہت زیادہ مدد دی۔

بورڈ آف ڈائریکٹرز اور اس کی آڈٹ، انسانی وسائل اور مشاہرہ کمیٹیوں کے اجلاسوں کی تعداد بمعہ ان میں حاضری، مندرجہ ذیل ہے:

## آپریٹنگ

زیر غور سال کے دوران کمپنی کی تینوں فیکٹریوں میں مجموعی پیداواری استعداد میں اضافہ ہوا۔ پلاسٹکس میں، پیداواری مقدار 19 فیصد بڑھ گئی جبکہ سی سی ٹیٹس میں اس مقدار میں 23 فیصد اضافہ ہوا۔ یہ اضافہ زیادہ تر موجودہ پلائٹس میں بہتر آپریٹنگ صلاحیتوں کے ذریعے حاصل کیا گیا۔

سال کے دوران ہماری سی سی ٹیٹس کے معیار اور ظاہری صورت کو مزید بہتر بنانے کے لیے کراچی اور حیدرآباد کی فیکٹریوں میں سرمایہ کاری کی گئی۔

## کمپنی کو درپیش خطرہ اور غیر یقینی عوامل

کمپنی کو درج ذیل عمومی خطرات کا سامنا رہا:

### (1) آپریٹنگ خطرات

آپریٹنگ خطرات کی وسیع معنوں میں عوام، پرائسز اور اثاثوں کے خطرات کے طور پر درجہ بندی کی جاسکتی ہے۔ یہ آپس میں ایک دوسرے سے بہت زیادہ جڑے ہوئے ہیں، جو کمپنی کی انتظامیہ کے لیے اس امر کو ناگزیر بناتے ہیں کہ وہ ایسی حکمت عملی بنائے جو عملی حدود سے بہت آگے ہو اور آپریٹنگ خطرات کے ان تین کلیدی شعبوں کا ازالہ کرے۔

ان خطرات کے ساتھ موثر طریقے سے نمٹنے میں ناکامی کا نتیجہ پیداوار کے نقصان کی صورت میں نکلتا ہے اور سبب تباہ ہو جاتی ہیں، جس سے کاروبار کا نقصان ہو سکتا ہے۔ کمپنی اپنا کاروبار کرتے ہوئے مطلوبہ صلاحیتوں اور مہارت کے ساتھ وسائل کو بروئے کار لاتے ہوئے مذکورہ خطرات کو دور کرتی ہے۔

### (2) مالی خطرات

کمپنی کو، مالیاتی اداروں سے لیے گئے ادھار کے باعث مالی خطرات کا سامنا ہے۔ مالی خطرہ اس وقت پیدا ہوتا ہے جب سود اور شرح مبادلہ میں اتار چڑھاؤ آتا ہے، جو کیش فلو میں تبدیلیوں کا باعث بنتا ہے اور کریڈٹ لائنز پر نئے سرے سے بات چیت کرنی پڑتی ہے۔ مالی خطرے میں کسی کاؤنٹر پارٹی کی اپنی ذمہ داریاں پوری کرنے میں ناکامی کا خطرہ شامل ہے۔ کمپنی میں رسک مینجمنٹ کا مقصد آمدنی اور کیش فلو پر کسی ممکنہ منفی اثر کو محدود کرنا ہے۔ ٹریڈری ڈیپارٹمنٹ کی طرف سے مسلسل بنیاد پر اس خطرے کی نگرانی کی جاتی ہے اور ضروری اقدامات کیے جاتے ہیں۔

منسلک مالیاتی گوشواروں کے نوٹ نمبر 46 میں مالی خطرے کی وضاحت کی گئی ہے جس میں مارکیٹ رسکس، کریڈٹ رسکس اور لیویٹیٹی رسکس شامل ہیں۔

### (3) تعمیل کا خطرہ

کمپنی کو اس بات کا ادراک ہے کہ قوانین اور ضوابط کی عدم تعمیل کا نتیجہ جرمانے کے نفاذ، امتناع، بلیک لسٹنگ اور اجازت نامے کی تفتیش وغیرہ کی صورت میں نکل سکتا ہے۔ لہذا کمپنی عدم تعمیل کی سرگرمیوں اور طرز عمل کے بارے میں صفر برداشت کی پالیسی پر عمل پیرا ہے۔ علاوہ ازیں، اس قسم کے خطرات کو کم کرنے کے لیے کمپنی میں ایک انتہائی جامع اور موثر تعمیلی نظام کام کر رہا ہے۔

ڈاڈیکس اینٹرنٹ لمیٹڈ کے بورڈ آف ڈائریکٹرز ("کمپنی") کو 30 جون، 2018 کو ختم ہونے والے سال کے آڈٹ شدہ مالی گوشواروں کے ساتھ 59 ویں سالانہ رپورٹ پیش کرتے ہوئے خوشی ہو رہی ہے۔

## قومی معیشت

پاکستان کی مجموعی قومی پیداوار (جی ڈی پی) 5 فیصد سے زیادہ افزائش برقرار رکھتے ہوئے 5.79 فیصد تک پہنچ گئی۔ اس مسلسل افزائش کے بڑے اسباب بشمول بجلی کی بہتر صورت حال اور چین پاکستان اقتصادی راہداری (CPEC) سے متعلق سرمایہ کاری، جوں کے توں رہے۔ مینوفیکچرنگ سیکٹر نے زیرغور مدت کے دوران ایل ایس ایم سیکٹر کی بہتر کارکردگی کی وجہ سے پیش قدمی جاری رکھی اور 6.24 فیصد افزائش حاصل کی۔ صنعتی شعبہ نے 5.8 فیصد کے حساب سے افزائش کا سفر جاری رکھا۔ تعمیرات کے شعبہ، جو کہ ہمارے کاروبار سے سب سے زیادہ تعلق رکھتا ہے، اس سال کے دوران 9.13 فیصد افزائش حاصل کی۔

بدلتے ہوئے سیاسی منظر نامے اور میکرو اکنامک چیلنجز کا سامنا کرنے کے باوجود توقع ہے کہ معاشی نمو پاکستان کی تعمیرات کی صنعت کو فائدہ پہنچاتی رہے گی۔ ہمیں یقین ہے کہ ہم تعمیرات کے شعبے بشمول سی پیک کی بڑھتی ہوئی مانگ کو بہتر طریقے سے پورا کرنے کی پوزیشن میں ہیں۔

## کمپنی کی بنیادی سرگرمیوں اور کاروباری کارکردگی

کمپنی کا بنیادی کاروبار، تعمیراتی سامان کی تیاری اور فروخت ہے، جس میں زیادہ تر پائپنگ سسٹمز اور chrysotile سیمنٹ سے تیار کی جانے والی دوسری ملحقہ مصنوعات، ربر اور پلاسٹک، درآمد شدہ پائپ فٹنگز، accessories اور دیگر تعمیراتی مصنوعات کی فروخت شامل ہے۔

زیرغور سال کے دوران کمپنی نے 2.921 بلین روپے کا سیلز ریونیو حاصل کیا، جس میں 10.37 ملین روپے کی برآمدی سیل بھی شامل ہے جو پچھلے سال حاصل کیے جانے والے 2.391 بلین روپے کے سیلز ریونیو سے 22.17 فیصد زیادہ ہے۔ اس افزائش کی بڑی وجہ پاکستان میں تیزی سے آگے بڑھتی ہوئی کنسٹرکشن ہے، کمپنی کی انتظامیہ نے مارکیٹ میں تمام سیکٹرز سے بہتر بزنس حاصل کرنے کے لیے ایک معقول منصوبہ بنایا۔ سی پیک کے منصوبے بھی اس کی ایک وجہ ہیں، جن کے باعث ہم نے بہتر بزنس حاصل کیا اور آئندہ بھی ہمارے پاس بہتر امکانات موجود ہیں۔

متعدد عوامل نے جو کمپنی کی انتظامیہ کی دسترس سے باہر تھے، کمپنی کے منافع کو بری طرح متاثر کیا۔ ان میں زیادہ تر پیٹریولیم مصنوعات کی قیمتوں میں مسلسل اضافہ جس کے نتیجے میں ہمارے خام مال کی قیمتیں بڑھ گئیں، اور پاکستانی روپے کی قدر میں غیر معمولی کمی کے باعث شرح تبادلہ کا بھاری نقصان شامل تھا۔ ان ناموافق محرکات کی وجہ سے کمپنی 58.586 ملین روپے کا قبل از ٹیکس منافع حاصل کرنے کے قابل ہو پائی (2016/17 میں قبل از ٹیکس منافع 64.010 ملین روپے) جس میں 63.633 ملین روپے کی دیگر آمدنی بھی شامل تھی۔ گزشتہ سال کے مقابلے میں مالی اخراجات 3.22 فیصد بڑھ گئے۔ کمپنی نے 5.283 ملین روپے کے بعد از ٹیکس منافع کے ساتھ سال ختم کیا، (2016/17: خالص منافع 16.844 ملین روپے)۔

## فی شیئر آمدنی

30 جون، 2018 کو ختم ہونے والے سال کے لیے فی شیئر آمدنی، پچھلے سال کی 1.56 روپے فی شیئر کے مقابلے میں 0.49 روپے رہی۔
