

## **Mr. Sikander Dada**

*Chairman of the Board of Directors*

*Year of Birth: 1953*

*Chairman Since: August 2014*

*Director Since: 2011*

Mr. Sikander Dada is serving as the Chairman of the Board of Directors of the Company. He has previously served the Company as its Chief Executive Officer since 1989 and resigned in May 2014. During his tenure as the Chief Executive he had carried forward the legacy of the visionary late Founder Chairman Mr. Kassim Dada. His tenure has spanned 24 years during which the Company had witnessed steady growth in sales volume, expansion and diversification of product portfolio, increased production capabilities with modern technology and repositioning of Dadex as a hallmark of innovation, customer focus and reliability in the industry.

Mr. Sikander Dada is a B.Sc (Hons.) Economics from the London School of Economics, University of London. He attended various technical and management trainings in Belgium, Holland and United Kingdom before joining the Company. He is a Founder Member of Pak-Belgium Business Forum (PBBF), Pak-France Business Alliance, Pakistan India Business Forum, Member of the International Chamber of Commerce ICC and the SAARC Chamber of Commerce. He is one of the founder Trustees of Duke of Edinburgh's Award Foundation in Pakistan.

Mr. Sikander Dada was instrumental in bringing plastic piping revolution in Pakistan. He has also worked closely with the Government in policy formulating high efficiency irrigation systems.

He is also the Managing Director of Sikander (Private) Limited and serving as Director on the Board of Berger DPI (Private) Limited and Berdex Construction Chemicals (Private) Limited. He has previously served as the Chairman of the Board of Berger Paints Pakistan Limited.
